| Foreign Indian Student (NRI) | —        | —             | 9            |
| UT Chandigarh Pool           | General  | —             | 92           |
| UT Chandigarh Pool           | SC       | 15%           | 17           |
| UT Chandigarh Pool           | PwD      | 5%            | 6            |
| Total                        |          |               | 150          |

## Dr. Harvansh Judge Institute of Dental Sciences — BDS Seat Matrix (100 Seats)

| College                                                            | Total Intake | All India Quota (AIQ) | State Quota |
|--------------------------------------------------------------------|--------------|-----------------------|-------------|
| Dr. Harvansh Singh Judge Institute of Dental Sciences and Hospital | 100          | 15                    | 85          |

### Category-wise Break-up of BDS Seats

| Quota / Category                                       | No. of Seats |
|--------------------------------------------------------|--------------|
| International / NRI Students                           | 15           |
| Central Pool                                           | 10           |
| Reserved — Hoshiarpur District (Jaj / Judge Community) | 2            |
| All India Pool — General                               | 49           |
| All India Pool — SC                                    | 11           |
| All India Pool — ST                                    | 5            |
| All India Pool — OBC                                   | 4            |
| All India Pool — PwD                                   | 4            |
| <b>Total</b>                                           | <b>100</b>   |

## Notes

- Chandigarh has one government medical college (GMCH, Sector 32) offering 150 MBBS seats, and one government dental college (Dr. Harvansh Judge Institute of Dental Sciences) offering 100 BDS seats.
- 85% of MBBS/BDS seats form the UT Chandigarh state quota pool, counselled by GMCH; 15% form the All India Quota (AIQ), counselled by the Medical Counselling Committee (MCC).
- The exact split between AIQ and state-quota seats can shift slightly (by 1 seat) round to round as surrendered/unfilled AIQ seats are sometimes reverted to the state pool.
- State quota (UT pool) eligibility requires a valid Chandigarh domicile / UT residency certificate (typically Class 11 & 12 study in Chandigarh).
- Central Pool and NRI seats are counselled separately by GMCH under distinct eligibility and fee norms.
- Seat matrix figures can be revised in later rounds (Round 2 / Mop-Up) based on vacancies — always cross-check the live matrix published on [gmch.gov.in](http://gmch.gov.in) before choice-filling.

---

Disclaimer: Figures are compiled from publicly available secondary sources (GMCH notifications and NEET counselling portals) for reference only. For the official, legally valid seat matrix for each counselling round, refer to [gmch.gov.in](http://gmch.gov.in) and the MCC website ([mcc.nic.in](http://mcc.nic.in)).
