	TOTAL											293

MBBS (AIQ) seats: 247 | BDS (AIQ) seats: 46 | Total AIQ seats: 293

Important notes:

- 1. This table lists only the **15% All India Quota (AIQ)** seats for Kerala government medical/dental colleges, as published by the MCC (Medical Counselling Committee) Final Seat Matrix for NEET UG 2025 Round 1.
- 2. It does **not** include the 85% State Quota seats (filled through CEE Kerala counselling), private/self-financing college seats, management quota, or NRI quota seats — those are published separately by CEE Kerala (cee.kerala.gov.in).

3. Based on 2025 reporting, total MBBS seats across all Kerala colleges (govt + private + deemed) were approximately 5,400+, with around 1,850 in government colleges and 3,450+ in private colleges.
4. Seat numbers can change across counselling rounds (Round 1, Round 2, Mop-Up, Stray) due to withdrawals, new approvals, or reservation adjustments. Always cross-check the latest round's matrix on the official CEE Kerala or MCC website before finalising choices.
