GOVERNMENT OF RAJASTHAN
RAJASTHAN NEET UG COUNSELLING / ADMISSIONS BOARD – 2026
SMS MEDICAL COLLEGE, JAIPUR

Dated: 11.10.2026

NOTICE
RAJASTHAN NEET UG COUNSELLING 2026
PROVISIONAL ROUND 3 SEAT ALLOTMENT RESULT

All concerned candidates are hereby informed that the **Provisional Round 3 Seat Allotment Result for Rajasthan NEET UG Counselling 2026 for MBBS & BDS Admissions** is being published (available on the UG counselling portal https://ug.neetrajasthan.com).

Candidates are advised to log in using their registered credentials and carefully check their individual allotment status and all relevant particulars. The Provisional Round 3 Seat Allotment Result has been prepared on the basis of the applicable counselling rules and schedule, NEET UG merit/rank, eligibility conditions, category and reservation provisions, verified candidature and documents wherever applicable, choices/preferences submitted by candidates, available seat matrix, and the records and data available to the Board at the time of processing.

This result complies to the Order of the Hon'ble High Court of Judicature for Rajasthan at Jodhpur with reference to the S.B. Civil Writ Petition No. 24139/2026 dated 07/10/2026.

IMPORTANT

1. **Provisional Nature of Result:** The Round 3 Seat Allotment Result is **provisional, indicative and subject to verification, scrutiny, reconciliation, correction and revision**, wherever required, in accordance with applicable rules, regulations, government orders, counselling instructions and directions of the competent authority or a court of law. Publication of the result shall not, by itself, be construed as final confirmation of a candidate's eligibility, category, reservation claim, candidature, or entitlement to admission.
2. **Basis of Allotment:** The allotment has been processed in accordance with the applicable counselling framework, merit and rank, eligibility, category and reservation criteria, candidate choices, seat availability and seat matrix, and other relevant conditions prescribed for the counselling process. An allotment displayed in the result remains subject to verification of the relevant records and compliance with all applicable admission requirements. No departure from the governing rules shall be inferred merely from the publication of an allotment.
3. **Verification of Eligibility and Documents:** Every candidate shall remain responsible for satisfying the prescribed eligibility conditions and producing valid supporting documents, including original documents wherever required, at the prescribed stage. The Board and the competent authorities/institutions may verify or re-verify eligibility, NEET UG particulars, educational qualifications, domicile, category and reservation claims, PwBD/PwD status wherever applicable, NRI status wherever applicable, and other relevant particulars in accordance with the applicable rules. Any allotment found to be based on incomplete, incorrect, inconsistent, invalid or unverified information shall be liable to appropriate correction, revision or cancellation, as permissible under the applicable rules and law.
4. **No Vested Right or Guarantee of Admission:** The provisional allotment shall not, by itself, confer any vested, absolute or indefeasible right, claim or equity to a particular seat, college, course or admission. Final admission shall remain subject to fulfilment of all applicable eligibility requirements, document verification, prescribed fee payment, reporting/joining within the notified timeline, and completion of all other formalities prescribed by the Board, the allotted institution and the competent authorities. Participation in counselling, submission of choices, publication of merit, display of an allotment, downloading of an allotment letter, payment of a fee or reporting at an institution shall not cure any underlying ineligibility or dispense with a mandatory requirement under the applicable rules.

5. **Correction, Revision, Withdrawal or Cancellation:** The Board reserves the right, subject to applicable rules and law, to verify, scrutinise, reconcile, correct, modify, revise, withdraw or cancel an allotment or take other appropriate consequential action where warranted, including in cases involving:
   - discrepancies in candidate particulars, merit/rank or counselling data;
   - eligibility deficiencies or failure to satisfy prescribed admission criteria;
   - incorrect, invalid, incomplete, misleading or misrepresented documents or information;
   - errors in category, reservation, domicile, PwBD/PwD or other applicable claims;
   - discrepancies in choices/preferences or their processing;
   - changes, corrections or reconciliation in the seat matrix or seat availability;
   - technical, clerical, computational, data-processing or administrative errors; or
   - applicable government orders, regulatory directions, or orders of a competent authority or court.

   Any such action shall be undertaken in accordance with the governing framework and applicable law. A correction or revision shall not be precluded solely because an earlier provisional result was published or communicated.
6. **Indicative and Provisional Result:** The indicative result published on 09.10.2026 was intended to enable candidates to review their tentative allocation and raise grievances within the notified timeline. Subsequent result is published now through the prescribed counselling process. Candidates shall rely on the official result and the applicable allotment instructions for further action. Publication of the result does not prevent further verification, reconciliation or correction, where warranted under the applicable rules, nor does it dispense with the formalities required for admission.
7. **Allotment Letter and Further Admission Formalities:** Candidates allotted a seat shall download the official allotment letter through the prescribed portal/process, when made available, and carefully follow the instructions contained in the letter and the applicable counselling schedule. The allotment letter, if issued, shall be subject to the applicable eligibility requirements, verification of original documents, prescribed fee and other admission formalities. It shall not be treated as an unconditional or irrevocable confirmation of admission. Candidates shall comply with the applicable instructions concerning reporting, joining, fee payment, submission of documents, bonds/undertakings wherever prescribed, and other requirements within the notified deadlines.
8. **Reporting and Joining:** Candidates shall report to the allotted institution or designated reporting venue only in accordance with the official allotment letter, reporting instructions and notified schedule. Candidates must complete the prescribed reporting and joining formalities within the applicable timeline. Failure to report, join, submit required documents or complete prescribed formalities may result in consequences under the applicable counselling rules, including treatment of the allotted seat in subsequent counselling rounds, wherever prescribed. Publication of the provisional result alone shall not be treated as completion of reporting or joining.

    - All retained and joined candidates need not report again.
    - All upgraded candidates may report for joining/reporting/dcoument submission to Academic Block, SMS Medical College, Jaipur within the stipulated time period as per details mentioned in allotment letter.
    - The candidates who are upgraded at same college only due to change of category also have to report again.
    - The documents of all Round-2 joined and upgraded candidates will be transferred from College to College and fee will be adjusted in new adjusted colleges. Fee deficit if any has to

be deposited by the candidate as per details mentioned in the allotment letter. Excess deposited fee if any shall be refunded back and all refunds will be processed after all rounds of counselling are over.

9. **Upgradation, Resignation and Participation in Subsequent Rounds:** The consequences of Round 3 allotment, including treatment of any previously allotted or joined seat, upgradation, resignation, eligibility for further rounds, and any applicable fee refund, forfeiture or other financial consequence, shall be governed exclusively by the applicable counselling scheme, rules, official notices and directions of the competent authority. Candidates shall carefully review the applicable provisions before taking any action. No entitlement to retain multiple seats, retain a previous seat, participate in a subsequent round, or receive a refund shall arise merely from the publication of this result; the applicable rules shall govern each such matter.
10. **Seat Matrix and Seat Availability:** Allotment is subject to the seat matrix and seat availability applicable to the relevant round, as approved or notified by the competent authority. Any addition, withdrawal, correction, change or reconciliation in the seat matrix, where permitted under the applicable framework, may necessitate consequential action in the allotment process. No candidate shall claim an unconditional right to a seat solely on the basis of an earlier seat matrix or a provisional allotment inconsistent with the applicable final records and directions.
11. **Accuracy of Candidate Information:** Candidates shall ensure that their registration details, personal particulars, eligibility information, category/reservation claims, documents and choices are accurate and complete. Any suppression of material information, misrepresentation, discrepancy or failure to satisfy the applicable conditions may result in action under the relevant rules, including correction or cancellation of allotment/admission, wherever permissible. The Board's processing or publication of an allotment shall not be construed as a waiver of any mandatory eligibility condition or as acceptance of a claim that remains subject to verification.
12. **Official Website and Candidate Responsibility:** Candidates are advised to regularly visit the official counselling portal for result updates, allotment letters, notices, schedules, reporting instructions and other official communications. Candidates shall be responsible for checking the applicable notices and completing the prescribed processes within the notified timelines. Non-receipt of an SMS, email, telephone call or other individual communication shall not, by itself, extend a deadline or exempt a candidate from compliance with an officially notified requirement, subject to applicable rules and law. Candidates should retain copies of their allotment letter, fee receipts, submitted documents and relevant acknowledgements for their records.
13. **Grievances and Discrepancies:** Any discrepancy concerning the published result shall be brought to the notice of the Board through the designated grievance/query mechanism, wherever provided, and within the timeline specified in the relevant official notice. A grievance should clearly identify the candidate, the issue raised and the relevant supporting particulars/documents. Submission of a grievance shall not automatically suspend a deadline, guarantee a revision, or authorise a candidate to disregard the published counselling schedule. Grievances shall be examined in accordance with the applicable procedure, rules and directions. The Board may undertake verification and take appropriate action where warranted.
14. **Applicable Rules, Orders and Directions:** The counselling process and all allotments shall be governed by the applicable NEET UG counselling rules and regulations, government notifications/orders, reservation and eligibility provisions, the prescribed counselling schedule, and directions issued by the competent authorities or courts of law. Where a subsequent valid order, revised result or competent direction requires a change, the necessary consequential action shall be taken in accordance with applicable law. In the event of inconsistency, the governing law and applicable competent-authority or judicial directions shall prevail.

15. **No Assurance Beyond the Governing Framework:** Neither the publication of this result nor any associated communication shall be construed as an assurance that a particular allotment will remain unchanged irrespective of verification, reconciliation, eligibility requirements or applicable directions. The Board shall process and administer counselling in accordance with the governing framework. Any necessary correction or consequential action shall be taken subject to applicable rules and law.
16. **Final Admission Remains Subject to Compliance:** The allotment process and the admission process are distinct stages. A candidate shall be considered admitted only upon fulfilment of the applicable conditions and completion of the prescribed admission formalities by the competent institution/authority. Any provisional allotment or subsequent admission found to be inconsistent with the applicable eligibility conditions, verified records, seat matrix, counselling rules or competent directions shall be dealt with in accordance with applicable rules and law.

DISCLAIMER

PROVISIONAL ROUND 3 RESULT: SUBJECT TO VERIFICATION, RECONCILIATION, CORRECTION AND REVISION. This result is provisional and shall be read subject to applicable eligibility conditions, counselling rules, government orders and directions of the competent authority or a court of law. No vested, absolute or indefeasible right, claim or equity to a seat, college, course or admission shall accrue solely on the basis of this provisional result. Any allotment or admission subsequently found to be inconsistent with applicable eligibility requirements, verified records, the seat matrix, counselling rules or competent directions shall be liable to appropriate consequential action, including revision or cancellation, wherever permissible under applicable rules and law. Nothing in this notice shall be construed as excluding or restricting any remedy available under applicable law or the jurisdiction of a competent court. Candidates are advised to carefully read the applicable counselling instructions and comply with all prescribed requirements and timelines.

For any queries or issues, please reach out to the Rajasthan UG Counselling Support Helpline or write to support@neetrajasthan.com
